

DANIELLE & JUSTIN

Deadly Duo

These two are the ones responsible for the exquisite cuisine that you'll find at the Kavon. Justin began working at the Kavon in mid 2005 and by using his quick wit and unmatched skills with a deep fryer, worked his way to the top, becoming head chef in late 2006. His counterpart Danielle is equally as skilled, ensuring your fish and chicken are taken good care of... Until we kill it, schnitzel it, and serve it up with greens and curly fries.
