## Miss Magenta

Novak Pearce is the owner and operator of the Kavon Theme Restaurant. Coming from a background of owning and operating hair and beauty salons, Novak opened the Kavon with no experience in restaurants or acting, wanting to create an ideal place of entertainment. Novak soon took to hosting the evening shows as MC, playing the character Miss Magenta and has been self taught in her acting abilities with inspiration from co-workers around her. Novak has written and directed many shows and trained all her staff to the level she has them at today.
